APPLICATION CHECKLIST

- If pedigree is to be recorded – complete and submit a DNA Kit request form first.
- Ensure diagram and written description are completed correctly by a qualified veterinary surgeon and dated within 6 months of submission.
- Compliant type transponder implanted where none pre-existed.
- This fully completed application form with the correct amount of cleared payment.

IMPORTANT NOTES:

1. Applications requiring referral or return will incur additional processing / postage fees.
2. Once submitted, an application cannot be cancelled. Unresolved issues lasting beyond 6 months will result in the application being voided and any fees paid will be forfeited.
3. If it transpires an equine was registered previously, no refund will issue. If an issued passport must later be cancelled, cancellation fees become payable by the applicant.
4. Risk of loss and the cost of duplicate passports will be entirely borne by the applicant when sent by standard post.
5. Date of Birth (DD/MM/YYYY) must be confirmed by the identifying vet on the markings, if only the year of birth is detailed, Jan 1st of that year will be the recorded.
6. An Identification Document must be applied for within 6 months of birth. Equines who have not had their Identification Document issued within 12 months of birth, or submitted so close to the date that the PIO is not allowed time to run necessary checks, will be ineligible for slaughter for human consumption and will be classified accordingly in Section II Part II of the Identification Document.
